REQUEST TO REDUCE CREDIT LIMIT

Visa Credit Card

Overdraft Facility

Please reduce my/our credit limit on my/our above facility as follows:

Current Limit: \$.....

New Limit: \$.....

The variation takes effect from / /

I/We understand, subject to Clause 3.4 of the Continuing Credit Contract, the limit can only be reduced after receipt of the funds required to pay down the outstanding balance which exceeds the new Credit Limit.

I/We also understand all transactions will thus be conducted within the altered limit on the basis of available clear credit funds only – ie. Presentation of transactions having the effect of overdrawing the account may result in the items being dishonoured.
