(b)	Information relating to the design and structure of remuneration processes.	<p>The remuneration policy and salaries are reviewed annually. The components of remuneration for all staff include:</p> <ul style="list-style-type: none"> a. Fixed component and b. Variable component. <p>Fixed Component This component of salary consists of a base salary, leave entitlements, fringe benefits and contributions to superannuation funds.</p> <p>Variable Component Staff have the opportunities to participate in variable remuneration arrangements in addition to their fixed pay. Discretionary variable pay is dependent on outstanding or higher level performance and the achievement of agreed operational goals and financial objectives as set by senior management and approved by the Board. Any variable pay for senior management is recommended by the Chief Executive Officer and approved by the Board. In the case of the Chief Executive Officer, any discretionary variable pay is recommended by the Remuneration Committee and approved by the Board.</p> <p>There were no changes in the past year to the remuneration policy.</p> <p>There is also a bonus scheme in place based on the achievement of organisational Key Performance Indicators, which is reviewed annually by the Governance and Remuneration Committee.</p>
(c)	Description of the ways in which current and future risks are taken into account in the remuneration processes.	<p>The policy seeks to ensure that quality employees are employed, and retained and are remunerated in accordance with their responsibilities and experience.</p> <p>The Governance and Remuneration Committee seeks the input from external remuneration consultants and applicable surveys to guide the committee on the appropriate remuneration for the senior management team.</p> <p>The Governance and Remuneration Committee assess the relevant remuneration on a case by case basis to ensure the remuneration reflects the skill and experience of the managers to meet the board expectations and changes in the business proposed by the strategic plan.</p>
(d)	Description of the ways in which the ADI seeks to link performance during a performance measurement period with levels of remuneration.	<p>The performance of The Bank is impacted by the market conditions at the time and by the level of adherence to policies of The Bank, so as to remain within the risk appetite of the board.</p> <p>The Bank has a bonus scheme for senior managers that has a direct link between the performance and remuneration. The Governance and Remuneration Committee takes into account a combination of factors, such</p>

		as financial performance in the economic environment, compliance with regulatory requirements and the results of member satisfaction feedback, in assessing the performance of the Chief Executive Officer and other senior managers in the Bank.
(e)	Description of the ways in which the ADI seeks to adjust remuneration to take account of longer-term performance.	There are no specific measures taken to reward longer term performance. Remuneration is based on the salary agreed in consultation with the senior manager. There is no deferred remuneration arranged with the managers other than the employee statutory entitlements, award conditions as amended and if applicable, employment contracts. A redundancy or termination payment will be negotiated with each employee as required by the Award conditions and employment contracts if applicable, and in consultation with the Board of directors.
(f)	Description of the different forms of variable remuneration that the ADI utilises and the rationale for using these different forms.	There are elements of variable remuneration at The Bank that are pre-determined. There is a bonus scheme for senior managers and employees based on achievement of organisational Key Performance Indicators. In past year bonus payments paid to senior managers were nil.
